Comment:

I have used this firm for a number of years for H-1B visas. They are extremely professional and organized. And most recently I had an employee require H-1B status quickly due to a student visa heading toward expiration. We did the premium process through this group and the approval came back in much less than the 15 day turnaround time. That in itself should tell you everything you need to know. If you don't hire this group, you are doing yourself a disservice.
