Today the 9th of August 2004 i went to the local immigration office of New York in order to receive the EAD card as they told me over the phone when i call earlier the day that made my application 90 . I filled a form i-539 for the v-status and a form 765 for the EAD on april 29 2004, they gave me the notice with the date 7th of may 2004 . When i arrive at the local office with my infopass apointment thing went very easy . You go to the room 310 for a number , filled out the application then went to the 9 floor on room 900 . Then i wait about 30 minute for my number to be called . When i got to the window with my i-765 receipt and i-539 receipt the officer ask for my pasport ,which i provide . Then i told me that i`m not qualified for the EAD

because i didn` t provide one of the form beside the i-765 ex (i-485 ,589 ect...) he told me the i-539 doesn` t qualified me itself but i should wait for the aproval . I just spend a terrible day because the officer couldn` t answer my question...
