Comment:

I found working with Mr. Khanna and his team to be a pleasant experience. I changed my status from F1 to a Religious worker visa. I was very anxious during this process but I was at peace knowing that the people who were helping me through this process were able and competent professionals. Mr. Khanna was every personable and was eager to clarify all my questions. Also, Mr. Khanna contacted my employer on several occasions in order to explain the legalities involved in filing for the Religious worker visa, for this was the first time my employer had hired a foreign national. I would also like to express my thanks and appreciation to Ms. Anna Baker, who was my primary contact at the Law Offices of Rajiv Khanna.
