Multiple Labor Certifications

Multiple Labor Certifications ^[1]

Submitted by Editor on Sep 10th 2008

I have consulted the local lawyers here but they have failed to answer this question with conviction. Can two Labor applications be filed for me by two companies (current and future employers) at the same time ?

ANSWER:

In my opinion, most definitely, yes. As long as both companies are acting in good faith (honestly) and you have the intention to take whichever green card happens to be more convenient or quicker for you, you can file 2 or more labor certs (PERM) through different employers.

Unless the context shows otherwise, all answers here were provided by Rajiv ^[2] and were compiled and reported by our editorial team from comments and blog on immigration.com ^[3]
