Covid Coronavirus loss of job while in AOS I-485 period ^[1]

What happens if somebody on H1B loses job while in AOS (interview done)? Can he/she be without job for an extended period of time? Does the status change to AOS automatically? Have you seen a rejection in I-485J that's filed after change of employment under a SOC code that's not same as earlier SOC code but Job Description is similar? What happens if I-485J is denied? Does USCIS allow a new I-485J to be filed?
