Covid Coronavirus changing H-1B home office location

Covid Coronavirus changing H-1B home office location ^[1]

Submitted by Chief Editor on Apr 30th 2020

I recently got approval for Work From Home, from my client. So my work location will be my home. My H1B Amendment is filed. Because of situation, I have to change my home i.e work location, within same MSA. Also, if we can change the house, just updating AR-11 will suffice?

Changing location of work within the same geographical area is not a problem. Do remember to file your AR-11.
