# Losing job after AOS I-485 interview

## Losing job after AOS I-485 interview <sup>[1]</sup>

Submitted by Chief Editor on Apr 21st 2020

I had my EB2 Interview last week it went good. I did submit my offer letter and my paystubs. I am still waiting to hear back from USCIS regarding the next steps. If I end up losing my job what happens in that event? I am working with my current employer on EAD and I dont have an active H1B. Its very difficult to find another job in the current situation, since I have already submitted an offer letter will they require any other confirmation before approving?
