Citizenship/naturalization trips of more than six months abroad

Citizenship/naturalization trips of more than six months abroad ^[1]

Submitted by Chief Editor on Mar 11th 2020

I have been scheduled for my interview next month after cancellation of the first one. I took three trips outside the US, and one last more than 6 months but less than one year. I waited for more than 5years since my last entrance which is June 2013 before applying for citizenship. Should I be worried about my interview since I broke the continuity of residency?
