Comment:

My family did receive the green card through the extra ordinary ability (EB1) category. We have no words to say for the inspiring, exciting and excellent work done by Rajiv and Diane through the entire process. It took just about 8 months to receive the green card. In each and every step, we met many times through the conference calls with Rajiv and Diane and they explained the process clearly and precisely. Of course, we felt always that someone from our own family guiding us in the entire GC process. I highly recommend reader?s of this testimonial to consult Mr. Khanna?s immigration experts for any immigration related legal issues at any time. You will be certainly pleased to find such a great friendly group of people that are well prepared to provide you the service you deserve. I really wondered sometimes that how Rajiv and Diane find time to respond quickly for an individual in addition to deal with the other clients. Dear Rajiv and Diane, our prayers to your whole team for your selfless service to us. In future, any of Rajiv?s clients who wants to apply under extraordinary ability can reach me to share my experience.
