F-1 COS RFE; No ties with home country; 6 Years of H-1 over ^[1]

Submitted by Rajiv S. Khanna on Sep 1st 2009

Last week we received an approval for a difficult change of status RFE. We were retained to respond to an RFE for a client who had no ties to his home country (India). Six years of his H-1 were over and he was trying to get into F-1 status. He had been working and studying in Europe before coming to USA on H-1. We presented the facts of our client's background with complete honesty and sincerity. No games (which is the way all our cases are presented). I am glad to report that as has always been my belief, truthful presentation works.
