**Comment:**

Hi Rajiv, I want to take this moment and offer you my utmost gratitude and thankfulness for your support and cooperation in my Green Card process. My case was little complicated as I had another I-485 with another lawyer with different job descriptions but same company. But with your expertise there was no RFE . This has been possible by the perseverance and dedication that was offered by your office. And I want to specially thank Amrita who has been exceptionally helpful to me for all these years. I must have contacted her zillion times for questions and concerns that never left me alone. But she always maintained her professional outlook and gave me the best guidance. This entire immigration process was only possible through your support. I will highly recommend your law firm for all immigration matters. Its the best indeed. Regards, Ashish Agrawal
