E-3 Visas for Australian Citizens

E-3 Visas for Australian Citizens ^[1]

Submitted by Rajiv S. Khanna on Oct 16th 2009

We were retained by a corporate client to process several E-3 petitions for nationals of Australia. All of the visas were issued at the Australian consulates without any problem. One applicant has already entered the U.S is currently working on E-3 status. We have also submitted a petition for an E-3 amendment with USCIS, which was also approved without any issues.

We were asked to also provide an opinion on the E-3 possibility for a Stage actor and teacher of dramatics. That case appeared to be a bit difficult because it was not clear that the job required a degree. Nevertheless, after that matter was clarified, that E-3 visa was also approved.
