# EB2 Qualification

## EB2 Qualification [1]

Submitted by Chief Editor on Nov 2nd 2009

I do have a question regarding EB2 eligibility. I earned a Bachelor degree in Science(B.Sc with Physics subject-which is not related to IT) from India(3 years) and also earned Masters in Computer (MCA in IT) (3 Years). So will I be able to file my employment Green card in EB2 category if I file my Green card in IT based company?

### **ANSWER:**

It is possible, but tell your lawyers to draft the *PERM* application carefully, so if EB2 is denied, EB3 should still be approved.
