**Comment:**

Mr.Khanna and his whole team worked on my complicated case and made it possible. There was a lot of effort that went in during the whole process but finally it worked. Working with his team was so easy and the responses were very quick. During the whole process I never felt once that my case is not being treated as priority. Mr. Khanna made himself available when it was required and guided me thru the whole process. My special thanks to Rena, Sheena and Anna without you guys it would not have been possible to reach at this stage. Thanks a zillion &nbsp;Mr.Khanna for your advise and support during the rough time we went thru. Amit Gupta
