H1B Visa Stamping

H1B Visa Stamping ^[1]

Submitted by Chief Editor on Jan 21st 2010

My first term of H1B is going to expire in August 2010, is it possible that I will get the new visa stamped from Canada before expiration like in June or July?

ANSWER:

I think they will not stamp a new *visa* while the old one is still valid for some number of days (30 or 60, I forget). Email the consulate.
