I130 and application for adjustment

I130 and application for adjustment ^[1]

Submitted by Chief Editor on Feb 23rd 2010

I filed I 130 for my unamrried son but before it was processed i became citizen so I filed fresh which may take mor than 5 years Is there any possibility for my son to come here and file adjustment visa? Can he stay and work after adjustment visa?

ANSWER:

No one can file for adjustment unless their priority date is current. You should be able to upgrade the earlier filed I-130 to reflect your current citizenship. That way, he keeps his priority date. Contact USCIS customer service.
