Green Card and marriage to a non citizen

Green Card and marriage to a non citizen [1]

Submitted by Chief Editor on Apr 16th 2010

I have my greencard. Can I marry a non citizen of US and file for her? How long will it take to secure a working permit for her?

ANSWER:

Filing through a green card holder takes several years to get to the work permit stage.

Unless the context shows otherwise, all answers here were provided by Rajiv [2] and were compiled and reported by our editorial team from comments and blog on immigration.com [3]
