# Impact of unauthorized employment on DV

## Impact of unauthorized employment on DV <sup>[1]</sup>

Submitted by Chief Editor on May 19th 2010

Is it a problem if a person wins a green card from the lottery but previously have been in USA with a tourist visa and has worked at the same time? The person have paid taxes and had returned in his country while still had a tourist status. But when he applies for the green card and when filling the forms what should he writes -that he has been with a tourist status but have worked? Is it possible that he may not be approved for the green card?

### **ANSWER:**

You have to tell the truth. You have paid taxes and returned within the time permitted on the *I-94*. I see no reason why it should impact your *DV* application.
