With the good movement in the Aug 2010 bulletin, the AOS got approved for my family. Without the guidance of the entire team at Law offices of Rajiv Khanna that worked on my case, this would not have been possible. To name a few that i remember starting with Rajiv who gave me good confidence to hire him for the services during our intial conversations: Rajiv, Prerna, Richa, Moahana, Mathew, Anna, Leslie, Heather, Mark. I am sorry if i have missed out anyone and the people behind the scenes. Each one of these guys have been amazing and great and never was i disappointed in the whole process (except for the long wait, which is not your fault). I very fondly remember the visagate episode in 2007. When the word spread around about it, it was late in the evening and someone was there in your office to answer my queries, which helped me make a decision to drive overnight, down to Staunton from New Haven CT, along with my 4 month old, my wife and my father in law to reach there early morning and finish the process of filing for the I-140 and I-485. Everybody at the office was very helpful even under the stress that they were in when being bombarded by so much to do in such a short time. Additionally i believe the right advise was always delivered in a timely manner and everyone worked with me to help my case progress at a good pace. I cannot thank you enough for all your help and guidance and would very highly recommend your services to anyone. Thanks again for your help. Warm Regards Yash Agarwal
