I was on J-1 visa

I was on J-1 visa ^[1]

I was on J-1 visa for 18 months of training in a dental lab as a dental technician .I got my waiver on my J-1 visa .I came back from USA to India and applied for the F-1 visa in a community college .But I was denied f-1 visa on bases of section 214(b) of immigration (possible immigrant).What can I do next to get back to USA?

ANSWER:

If the consulate is not convinced of your nonimmigrant intent (214(b)), it is extremely difficult to remedy that. Usually, people in that situation should explore options like H-1, L-1, green card - all of which do not require a nonimmigrant intent (intention to remain in USA only for a brief period of time).
