Comment:

I was in my fifth year in USA without starting my LC process. Since it was a critical stage for me, I asked my company and Mr. Khanna to file PERM LC for me ASAP. My contact person, Seema, helped me a lot in preparing the case in a speedy manner and also answered all my questions promptly. Its a very good feeling when you work with nice and professional people. Today after three months of filing my case I received a ?Congratulations? email from Seema that my LC got approved. Still have a long way to go but sure its a good start.
