## EB2 Schedule A question

### EB2 Schedule A question [1]

Submitted by Chief Editor on Oct 27th 2010

My PERM application just got denied due to the recent layoff in my company. Can I apply EB2 (schedule A) to bypass the labor certification step? Will the recent PERM denial affect the Schedule A application? Is it ok to submit the schedule A application soon or I have to wait for a certain time period?

#### **ANSWER:**

If you are qualified, you can apply for Schedule A. I cannot think of any way the *PERM* denial or layoffs could cause any issues and there should be no waiting to file.
