Interview for green card

Interview for green card ^[1]

Submitted by Chief Editor on Dec 7th 2010

My mom has an interview for green card in January. I really need to know if she'll get some kind of paper or stamp in her (expired) passport right away. We are moving to another state for good and I want to make sure she will be able to fly.

ANSWER:

If this is an *adjustment of status* interview and she gets approved, they should stamp her passport. But she does need to renew her passport before the interview.
