Comment:

I want to thank Mr. Rajiv Khanna and his team for taking care for my L1B visa application during the summer of 2010. By now (dec 2010) this is all history and I have the visa in my passport. At the time, it was quite a stressfull period with much uncertainty of the outcome. My Khanna and his team kept faith in a good result and steered the application through rough seas, until the final approval by USCIS. Thanks very much for the professionalism. Theo Borst
