Comment:

Law offices of Rajiv S. Khanna has provided excellent service in getting my I-140 approved (EB1-OR) within a few months.

I have dealt with other law firms before and I have no hesitation in reserving the highest praise for the supporting staff and attorney Rajiv Khanna. Mr. Khanna has been very straightforward, understanding, committed, and singularly knowledgeable.

Incredibly, he agreed to a consultation (where he reviewed my eligibility under this category) even before I had hired his services !

EB1 has its own set of complex requirements for both the candidate and the employer. I have been very impressed with the way Mr. Khanna could explain these and appeased the doubts/hesitation of my managers. I have found him to be very approachable, generous and always willing to help in just about every issue regarding my immigration and legal status in the US.

My case manager, Diane Lombardo, has been extremely patient, supportive and prompt in responding to my innumerable queries. She was instrumental in preparing the petition very meticulously . Over the last several months I have been amazed at her commitment and helpfulness.

As I understand, EB1 cases are difficult and I believe Mr. Khanna and Diane Lombardo have used all their experience to handle this I-140 petition in the most professional and satisfactory manner.

Thank you very much to attorney Khanna and his team !
