# Perm process during OPT

## Perm process during OPT <sup>[1]</sup>

Submitted by Chief Editor on Jan 19th 2011

I completed my master's degree last summer and started working with a company from 2 months. I am in OPT status right now and I wanted to know, if I am eligible to file for Green Card process with my current employer. If yes can I file in EB2? I have 2 years IT experience in India. If no, do I have to wait until I get H1b. Is the Green card process dependent on H1B?

### **ANSWER:**

This question requires your lawyers to assess the case. Generally speaking nothing stops you from filing a *PERM* application while on *OPT* and an Eb2 appears possible.
