**Comment:**

I have been using the services of The Law Office of Rajiv Khanna for a while now. Labor certification in my case was recently approved, following conversion to RIR. The window for conducting recruitment and preparing the package was small, only 4 months. In addition, I was away for a month on vacation during this time. However, with my employer's and Vijay's help, I was able to complete the recruitment process on time. Vijay was very patient and professional dealing with my employer and me, despite some delays at my end.
