Comment:

First of all I wanted to thank you Mathew & Rajiv Khanna for their superb service during my Green Card Process. Below is the my story: I applied for Green Card at 2003 under EB3 category and my priority date was Dec 2003 via Company X when I was working for Company Y. After years of waiting I decided to ask for the possibility of applying via EB2 category for Company Y. Rajiv & Mathew has studied my case throughly and decided to go ahead with Eb2 process. Perm Labour took 2 months, I-140 took 15 days (premium processing), I-485 porting took 4 months. Totally it took almost 14months to get my Green Card under EB2.
