Completing the DS-160

Completing the DS-160 ^[1]

Submitted by Chief Editor on Apr 20th 2011

ANSWER:

No. All answers **must be in English, using English characters only**, except when you are asked to provide your full name in your native alphabet. Applications submitted in any language other than English will be denied, and you may be required to submit a new application. While you must answer all questions in English, translations of questions are available in many languages from the drop-down menu in the right upper corner of the application. These translations should assist you in completing the form in English.
