Green card for L1-B or L1-A holders

Green card for L1-B or L1-A holders ^[1]

I currently have a L1-B visa and I'd like to know if the company where I work (a Brazilian company where I did work for 2 years, one of them in a managerial position before coming to the U.S in 2009) could apply to change my status from L1-B to L1-A at the same time as filing my GC application. The company is a giant in Brazil with 600 employees but we are still starting the operations in the U.S and I'm the only employee here.

ANSWER:

Smaller companies can have a tough time getting an L-1A.
