Working Visa

Working Visa ^[1]

Submitted by Chief Editor on Jun 29th 2011

My fiance is from Pakistan, currently working in Kenya. He has done IT and Web-design. He is willing to work in the United States, Is it possible to get the visa?

ANSWER:

It is possible if he has the relevant degrees and has a job in his field in USA. The most commonly used *visa* for professional workers is an H-1B visa.

Unless the context shows otherwise, all answers here were provided by [Rajiv](#) ^[2] and were compiled and reported by our editorial team from comments and blog on [immigration.com](#) ^[3]
