Comment:

I am a physician, in the US for about 2 years now. I wanted to get the sense whether now is a good time for me to file for GC. I discussed my case with Rajiv over the phone. He was very straightforward and advised me against filing for the green card right now. He pointed out specific weaknesses in my case and made recommendations for improvement. I keep hearing that some lawyers will file your case irrespective of what your chances are, as long as they are getting paid. I think highly of Rajiv because he offered to discuss my case despite having a good idea that he was going to reccommend against filing. I would prefer having someone like him as my attorney when I eventually file for GC.
