# Green Card for RN

## Green Card for RN <sup>[1]</sup>

Submitted by Chief Editor on Aug 8th 2011

I am an RN with a TN visa from Canada. My wife who is an American Indian born in Canada will soon be sponsoring me. Will the fact that I have a visa speed up the process?

### **ANSWER:**

It will not speed things up, but filing for *Adjustment of Status* (which is available only to folks who are already in USA), makes it possible to continue to stay in USA while the green card process is in the works.
