Comment:

I just got my GC approved through the Offices of Rajiv S. Khanna. Over the last four years I had a very good experience with all the professionals who handled my case at your offices. After so many years waiting at the labor certification stage (PBEC story), they helped me to put together the I-140/485 application, with timely and to-the-point responses to my questions along the way, in a short time. As a result, my application got approved within a couple of months way before my expected timeline. Many thanks to Richa, Amrita (LC stage) and Mathew, Rita (I-140/485) for a job well done. Keep up the good work.
