Can I process I-140 with previous company

Can I process I-140 with previous company [1]

Submitted by Chief Editor on Nov 18th 2011

I got I-140 cleared through current company and labor approved from previous company. Can I process I-140 through previous company (to get PD to 2008)?

ANSWER:

Yes, but only if the labor cert is still not time barred (within 180 days of its approval); the employer still has the intention to hire you some time before or after the approval of your green card; and you have the good faith intention of joining them.
