# Spouse of an O-1 - next step to Green Card

## Spouse of an O-1 - next step to Green Card <sup>[1]</sup>

Submitted by Chief Editor on Jan 11th 2012

I am the spouse of an O-1 visa holder and we live in the US (so I am on an O-3). His company is putting together the application for his green card, but do they need to do a separate one for me too? Or do I get one automatically if he gets one? Or do I have to wait until he gets one and then he applies for one for me? And what about our children - too young to work yet, but want to make sure they are ok too.

### **ANSWER:**

The way it works is that the company can file everyone's AOS (Form I-485) together OR they can first get your husband's I-140 approval and leave you to file the last step (AOS) for the family.
