Comment:

The information Mr. Khanna provided was very helpful. I was scheduled for a phone conference appointment for no cost since I am a student. He is definitely a great person who really makes an effort to sort out others issues. I wanted to make sure that the statement of reason for application of the waiver for the two-year home country physical presence requirement of the J-1 visa, was a strong reason, so he asked me more question about my J-1 program to figure out a better reason for the application which turned out being a better one than the one I was thinking about.
