Visa Reciprocity Tables Updated ^[1]

Submitted by Chief Editor on Dec 20th 2013

For temporary visitors to the United States (nonimmigrants), reciprocity tables, available from the drop-down menu above, show applicable visa issuance fees by country and by visa classification type, and the maximum period of visa validity and number of applications, or entries, that may be authorized.

The Department of State has updated the visa reciprocity tables. Please click here to get the updated information.
