Comment:

I am not just happy with the way the law firm of Atty. Rajiv took care of my case. I am more than satisfied that no adjective is deserving enough to describe the way they handled an impossible case like mine. After countless denials that I have received from my previous lawyers, I only got approvals from Atty. Rajiv. My family and I are just waiting for our greencards, which might come before the end of this year. This law firm deserves more than what they ask for their fees. And no monetary compensation could ever pay nor match the excellent job they have done for me. They saved my children's future, the primary reason why I want to be in America. Thank you very much from the bottom of my heart! :)
