Well, interview was short and pleasant like everyone here experienced.

Officer went through the details in application under Oath.

Didn't ask for any docs.

Asked few simple history/civics Q's :

Who Signs bills into law

Where does Congress meet

.....

( every question was from the list of 98 Q's online )

alright... then when it comes to english test, I warn you not to feel insulted when officer asks you read a simple sentence out loud. He/She is doing his/her job. You may feel insulted to read and write such a simple english sentence.

**Citizenship and Naturalization:**
