Really you are a STAR for me. I like the way you work. You always understand client situation better than any one. I know there might be lot many people like me, who troubled you by sending so many emails. you are always prompt in responding to client emails and phone calls. For all Immigration matters ,I am telling all the people to go to Rajiv Khanna's office & Must get Amrita as their case manager. I feel lucky to get you as case my manager. I am very very Happy..
