Comment:

I had several pending I-485 application family-based as well as employment based. I withdrew family-based yet I received an interview notice for the same. I was quite concerned about its impact on my remaining GC applications. Mr. Khanna's team had no obligation to provide any counsel, since I was not their client anymore. Yet Mr. Khanna made himself available and provided guidance. Mr. Khanna's law firm offers more than just handling of the legal process? they go above and beyond to create a sense of community and offer a great service to folks dealing with varying immigration circumstances. It was a truly humble gesture on his part and its really comforting to know that you have Mr. Khanna's firm by your side, if needed. Many thanks for all the help? truly appreciated.
