Comment:

Mr. Khanna and his team have been processing my H1B application this year and I only have words of gratitude for them. You really feel like they care about you and are always willing to give you the best service. I had some questions about travelling outside the USA during the CAP-GAP extension. Eugene set up a conference call with Mr. Khanna right away and they answered all my questions and also sent me an email with the USCIS regulations that covered these issues. I would highly recommend this firm to anyone in a similar situation.
