PERM Proof of Advertising Materials

PERM Proof of Advertising Materials ^[1]

Submitted by Chief Editor on Jun 13th 2013

We represented a consulting company and their employee, a Senior Quality Assurance Analyst. USDOL had denied PERM certification after an audit holding that we had failed to submit tear sheets from our Sunday advertisements. We filed the appropriate motion establishing that it was highly likely, if not certain, that the tear sheets were in fact submitted. We provided evidence from our files, affidavits, and proof of our firm's normal business practice. The case was approved in less than three weeks.
