I wanted to thank you for all your help - I really loved the petition you had made for me for my I-140. I think the quality of the petition was great and given the complicated nature of my case, your efforts made all the difference.

Some background about my case - my I-140 petition was earlier handled by another legal firm who filed my case under the wrong category and had screwed up. As a result, my I-140 petition got rejected.

One of my friends referred me to Savita and Rajiv and they did an EXCELLENT job with my case. Rajiv personally counseled me and advised me on the approach that was best suited. Savita prepared the I-140 petition and did a very good job. My case got approved.
