

EB-2 Visa for a Veterinary Assistant

EB-2 Visa for a Veterinary Assistant ^[1]

Submitted by Chief Editor on Jul 4th 2013

I live in Bulgaria and I have a Master's Degree in Veterinary Medicine. My question is can I get a EB-2 visa if I work as a veterinary assistant in the USA ?

ANSWER:

You can qualify for EB2 only if two conditions are met:

1. Your degree is equivalent to a U.S. advanced degree (a credentials evaluation service needs to assess that under proper standards); and
2. The job requires an advanced degree or equivalent experience.
