## Foreclosure and immigration status <sup>[1]</sup>

Submitted by Rajiv S. Khanna on Dec 9th 2008

Question from one of our clients:

Could you please. let me know that Does House Foreclosure affects immigration Process?

Actually I have a house in one State, but my company has moved to another State. Now my mortgage is much due to increase in Taxes. It becomes difficult to pay both mortgage and my present apartment rent. So just thought to ask before taking any action.

**Ans:** I cannot think of any law that would affect immigration status because of a foreclosure. I see no issues here. But, moving while a green card is pending can raise other issues. Make sure those have been discussed and resolved.
