Submitted by Chief Editor on Sep 2nd 2014

My current employer is failing the GC. Below is the job requirement. My total experience is with the current employer only (2.5 years in INDIA+4.5 years in USA)

Job requirement:

Education: Master's degree, or equiv., in computer information systems or related field

Experience: At least 1 year in position offered or in design defect fixes/enhancements I have US equivalent Master degree. My attorney said for the experience, we can show your current employer INDIA experience(2.5 years for which i worked in India for the same employer and came USA for the same employer). Can we show current employer India experience while filing PERM?

ANSWER:

Generally speaking, you can use the experience gained with an employer who has a tax ID number other than your petitioning employer.
