Comment:

I am very satisfied with Rajiv Khanna and his team for all the effort and work for the successful approval of gc. They have been very professional and proactive at every step of the process and keep you in loop so that you are aware of the developments. The team is ready to answer your queries or concerns every time you have any. Art was handling my case and took of everything from start to end. Could not ask for anything more.

If you are looking for a firm to handle your immigration matters then this is the one.
