**Comment:**

Rajiv and his team has been handling Green card and related applications for me and my family since 2003. My experience has been excellent, to say the least. The long and not yet completed EB-3 India journey has been painful but Rajiv and his team have been great pillars of support all through. Our series of EAD and AP applications have been promptly worked on and many questions/doubts have been answered/attended swiftly. I especially thank Rajiv for a recent no charge conference call to discuss a new development with my employer. May God bless this team with greater success.
